BILL VRSCAK WORKSHOP
WATERCOLOR: MAKING EVERY STROKE COUNT

Bill Vrscak, AWS of Pittsburgh, is an artist/illustrator and signature member of the American Watercolor Society and the Pittsburgh Watercolor Society. A frequent national award winner, his work is widely published in books and magazines, including *Painting with Passion* (North Light Books), *The Artists'* magazine, *International Artist* magazine and *Print's* design annual. His exciting presentation at the AIP 22 Conference impressed and inspired many members. Bill has agreed to teach a watercolor workshop exclusively for ASAI members. This is a great opportunity to break away from your illustration habits, and experiment with other approaches to watercolor painting by applying Bill's expressive, simple and fresh techniques.

The workshop will be held **June 5th – 9th, 2008**, in **Pittsburgh, Pennsylvania**, and the tuition is **\$450 per person**. Enrollment is limited to 25 participants, and if his previous workshops are any indication, ASAI expects the session to be completely filled. This 5-day immersive session will focus on Pittsburgh's unique urban environments and steel mills, and include demonstrations, lots of painting time for participants, and Bill's critiques.

A block of rooms is being held for workshop participants at the Hampton Inn Pittsburgh (Greentree district) from June 4th to June 10th at a special price of \$104/night for rooms with 1 King bed, or with 2 Double beds for sharing. The rooms will be held until May 26th, so after completing this form, please make your hotel reservation before that date. We do recommend that participants plan to arrive on June 4th, as the workshop will begin at 9 AM the morning of June 5th. Members can make reservations by phone at (412) 922-0100, or on their web site at www.pittsburghhamptoninn.com/home_pittsgreentree.php.

A suggested supply list and tentative sites will be forwarded to registered participants prior to the workshop. For more information on Bill Vrscak, and examples of his terrific work, please visit his website: www.billvrscak.com.

Other travel costs are transportation to and from Pittsburgh (Air, Train, or Car). ASAI will be providing tour vans for reaching different sites in and around the city. There may be some other minor costs during the workshop for transportation in the local area.
